## MARVEL KNIGHTS 20TH TPB

In celebration of the legendary imprint founded two decades ago by Marvel's CCO Joe Quesada, a new crop of talented creators stand poised to tell a groundbreaking story in the hard-hitting Marvel Knights style! In the cemetery, the blind man does not know who he is, or why he has come to this particular grave. He doesn't know the burly policeman with the wild story who approaches him. Or the strangely intense man who sits in the rear seat of the patrol car, his eyes flashing green. But all that is about to change. Matt Murdock is beginning to remember. In a colorless world without heroes, the spark of light must come from the dark. Together, these individuals face a mystery that can only be unraveled....a threat that can only be challenged...by Knights.

Donny Cates is a comic-book writer from Texas. His past works include God Country, Buzzkill, Star Trek and more. For Marvel, Cates has lent his talents to CAPTAIN AMERICA, and then joined the Marvel Legacy lineup on DOCTOR STRANGE and THANOS.

Matthew Rosenberg was born and raised in New York City. He learned how to read - and developed his lifelong love of comics - when he stole his brother's copies of FANTASTIC FOUR and X-MEN. The child of two writers and little brother of a third, Rosenberg became a comic-book writer because he didn't really know how to do anything else. At Marvel, he has written KINGPIN, ROCKET RACCOON and SECRET WARRIORS, as well as Marvel Legacy series PUNISHER, TALES OF SUSPENSE and PHOENIX RESURRECTION: THE RETURN OF JEAN GREY.

Travel Foreman first gained notice as artist on indie publisher Com.X's Cla\$\$war, later drawing an X-MEN UNLIMITED short story and the DOCTOR SPECTRUM limited series for Marvel in 2004-2005. He subsequently drew Marvel's ARES limited series in 2005, helping revamp a longtime Marvel villain into a hard-edged hero.

Seanan McGuire is the author of more than forty novellength works, the first of which was published in 2009. She has received many of the science fiction and fantasy community's highest honors, including the John W. Campbell Award for Best New Writer, the Pegasus Award, the Hugo Award, and the Nebula Award. Her work under both her own name and the name "Mira Grant" has been translated around the world. Seanan lives in the Pacific Northwest, surrounded by swamps and forests and very tall mountains; she doesn't sleep very much. When not writing, Seanan attends far too many conventions to be really good for her, dotes upon her very large, very fluffy cats, and watches a lot of horror movies.

Rosi Kämpe is a 29 year-old comic book artist, born and mostly raised in Finland. All her life she's loved drawing and telling stories, so by now it's almost all she can do anymore. She has a particular soft spot for epic fantasy and dorky superheroes. Rosi started off creating her own webcomic Unknown Lands and has since drawn comics for publishers like Top Cow and Space Between in addition to Marvel. Her first work for Marvel was a POWER PACK one shot in CIVIL WAR II: CHOOSING SIDES, written by John Allison. Rosi lives in Helsinki and thrives off coffee and cold weather.

Donny Cates is a comic-book writer from Texas. His past works include God Country, Buzzkill, Star Trek and more. For Marvel, Cates has lent his talents to CAPTAIN AMERICA and then joined the Marvel Legacy lineup on DOCTOR STRANGE and THANOS.

The lush and charming pencils of Ryan Stegman first gained raves in the Marvel adaptation of Raymond E. Feist's MAGICIAN: APPRENTICE and RIFTWAR. The popularity of his work there led to assignments on INCREDIBLE HULK, MARVEL ADVENTURES SPIDER-MAN, INCREDIBLE HERCULES and SHE-HULKS. With writer Chris Yost, he launched a new incarnation of SCARLET SPIDER, later teaming with Paul Cornell to relaunch WOLVERINE. With Gerry Duggan, Stegman helped assemble a surprising roster for UNCANNY AVENGERS.

## CAPTAIN AMERICA: EVOLUTIONS OF A LIVING LEGEND TPB

The star-spangled costume of Captain America has been a timeless symbol of hope and freedom since his days fighting Nazism overseas and McCarthyism at home. This historical retrospective of Steve Rogers' various uniforms and super-hero mantles is a showcase of America's ever-evolving sociopolitical landscape. From his early days fighting in overt patriotic garb as Captain America during World War II through his adoption of the predominately black uniform and title of the Captain at a time when he became a symbol of resisting absolute government control, Rogers has always worn his allegiance openly. Time and again, Steve has returned to Captain America's red-white-and-blue iconography, proving that the symbolic clothing of the Sentinel of Liberty stands for a higher ideal than any one person or government can achieve.

Few creators have left their mark like the inimitable Steve Ditko. His unmistakable creative vision brought the world the Amazing Spider-Man, Doctor Strange and, in 1988, Speedball! ## NOT BRAND ECHH: THE COMPLETE COLLECTION TPB

When Stan Lee set the tone for the Marvel Age of Comics it came with a healthy dose of humor. When fans demanded more of that Marvel mayhem, Stan, along with Jack Kirby, Gene Colan and the Bullpen's mistress of mirth, Marie Severin, turned the dial up to 11 and let loose! What came blasting out was the masterpiece of Silver Age satire Not Brand Echh. Each issue came packed with Marvel's greatest talents taking a sideways look at the super heroes they made famous (and even some that they didn't!) #### Abstract

Writer Jason Aaron's early collaboration with artist Cameron Stewart on DC/Vertigo's The Other Side was named one of The Washington Post's "Best Comics of 2007." His next project, Scalped, garnered industry-wide praise and led to a guest spot on WOLVERINE, beginning Aaron's long association with Logan on various titles, as well as the rest of Marvel's merry mutants, on books including X-MEN: SCHISM, WOLVERINE \& THE X-MEN and AMAZING X-MEN. Aaron rocked the Marvel Universe with ORIGINAL SIN and has unfolded a status-quo-shattering Asgardian epic across multiple THOR titles. He was the ideal choice to steer the rebel crew of STAR WARS into new adventures on the series' return to Marvel, and he ushered in a brand-new era for the publisher with Marvel Legacy. In the wake of that one-shot, he took on Earth's Mightiest Heroes in AVENGERS.

Artist Mahmud Asrar's career got off to a fast start after collaborating with writer Jay Faerber on Digital Webbing Presents and the 25 -issue run of the co-created Dynamo 5. At Marvel, Asrar has drawn WAR MACHINE, NOVA, THUNDERBOLTS and AVENGERS: THE INITIATIVE, among other titles. He built an association with Marvel's mutants on WOLVERINE \& THE X-MEN and ALL-NEW X-MEN, and looks set to do the same with Earth's Mightiest Heroes on ALLNEW, ALL-DIFFERENT AVENGERS.

In addition to assisting on the art chores for THUNDERBOLTS, Carlos Magno's work has graced the pages of Marvel's fan-favorite space title GUARDIANS OF THE GALAXY. His credits for DC include stints on Manhunter, Cyborg and the Tangent-imprint title Superman's Reign.

## SILVER SURFER: PARABLE 30TH ANNIVERSARY EDITION HC

One of the all-time great stories of the Silver Surfer, by the legendary Stan "The Man" Lee and visionary French artist Jean Giraud, aka Moebius - as stunning now as it was 30 years ago! A star falls to earth. Panic grips the planet as mankind prepares for its inevitable end. But the star is a ship, and inside is a god. All he asks is adoration. Overcome with relief, man rushes to obey. There is only one voice of dissent that will not be silenced: the Silver Surfer, who recognizes the "god" as his former master! But why has Galactus encouraged mankind to live down to his darkest nature? The Sentinel of the Spaceways stars in a bewitching tale of man's folly and nobility.

After all, it's never wise to bed a wizard's woman. Then, Conan joins with Red Sonja for a multipart adventure. Last, but far from least, we present Roy Thomas and Gil Kane's never-before-reprinted GIANT-SIZE adaptation of "The Hour of the Dragon," the iconic story of how Conan became king and conqueror and met the woman who would become his wife. Writer Jason Aaron's early collaboration with artist Cameron Stewart on DC/Vertigo's The Other Side was named one of The Washington Post's "Best Comics of 2007." His next project, Scalped, garnered industry-wide praise and led to a guest spot on WOLVERINE, beginning Aaron's long association with Logan on various titles, as well as the rest of Marvel's merry mutants, on books including X-MEN: SCHISM, WOLVERINE \& THE X-MEN and AMAZING X-MEN. Aaron rocked the Marvel Universe with ORIGINAL SIN and has unfolded a status-quo-shattering Asgardian epic across multiple THOR titles. He was the ideal choice to steer the rebel crew of STAR WARS into new adventures on the series' return to Marvel, and he ushered in a brand-new era for the publisher with Marvel Legacy. In the wake of that one-shot, he took on Earth's Mightiest Heroes in AVENGERS.

Russell Dauterman is best known as the artist of Marvel's THE MIGHTY THOR comics. Written by Jason Aaron and starring Jane Foster as Thor, the character-defining run has become a best-selling, Eisner-nominated series. Russell got his start drawing the comic Supurbia, before going on to draw Nightwing and CYCLOPS. He's also designed characters or drawn covers for various Marvel, BOOM! Studios, DC, Valiant, and Image titles. Outside of comics, Russell has provided illustrations for magazines, illustrated children's books, and worked as a costume illustrator in the film industry, most notably on Captain America: The First Avenger. Marvel recently named Russell a Young Gun, one of the industry's top artists to watch.

## MARVEL MASTERS OF SUSPENSE: STAN LEE \& STEVE DITKO OMNIBUS VOL. 1 HC

Before Steve Ditko revolutionized comic book super-heroes with the Amazing Spider-Man and Doctor Strange, he applied his incomparable storytelling mastery to taught suspense-thrillers. These chilling stories were cast with nervous-eyed dreamers and sweaty-palmed schemers, none of whom make it out with getting theirs. They were parables of wrenching psychological tension, expressed by one of comic book's most unique creative minds, and they will leave you curled up and screaming for more-whether you like it or not! Marvel is honored to collect Ditko's complete stories of suspense in two beautifully restored Omnibus volumes. From his very first Marvel work in 1956 through to his last five-page masterpiece, every iconic Silver Age Ditko short is collected in these incomparable Omnibus editions.

## COLDEN AGE MARVEL COMICS OMNIBUS VOL. 1 HC (NEW PRINTING)

In August 1939 a new voice hit the newsstands and changed the comic-book world forever: MARVEL COMICS \#1, with its blazing Human Torch cover, had arrived! And this 64-page pulp package wasn't your typical assortment of super-powered, straight-laced, do-gooders-this was something completely new. The amazing android creation of Dr. Phineas Horton, the Human Torch was neither man nor hero-he was a blazing force of nature that shocked and unsettled mankind. Prince Namor, the Sub-Mariner, the half-human/ half-Atlantean, ventures from his undersea kingdom into the world of man-not with a mind set on peace, but towards vengeance! These two characters would form the foundation for the style of conflicted hero that defines Marvel to this day, and you'll see them evolve across twelve full issues from their raw forms into the battling fire and water mega-hits of the Golden Age! They're flanked by an eclectic set born out of the fast-paced energy and imagination of the Golden Age including the heroic Angel; the wild and incomparable robot invention, Electro; the hard-edged detective, the Ferret; Terry Vance, the boy adventurer; the Western Masked Raider; and the ongoing jungle adventures of Ka-Zar, the Great. Featuring an extensive essay on Marvel's pulp magazine pre-history, publisher Martin Goodman and the birth of Marvel Comics by noted historian Will Murray, and topped off with special bonus features including original artwork and items never seen since 1939, this collection forms the cornerstone of Marvel history essential for every comic book fan, collector and historian!

## SPIDER-MAN LOVES MARY JANE: THE COMPLETE COLLECTION GN-TPB

Everybody loves Mary Jane Watson - so why not Spider-Man? Whether she's in class, hanging out at the Coffee Bean or attending homecoming, she's always the center of attention. But is everything about Mary Jane quite what it seems? Join MJ, her best friend Liz Allan, Liz's boyfriend, Flash Thompson, and their good pal Harry Osborn - not to mention a certain bookworm by the name of Peter Parker - as they experience the thrilling highs and devastating lows of high school existence! But is MJ's crush on the web-slinger pure fantasy? Could romance lie elsewhere? The path of true love never did run smooth! It's a timeless story you know - from a completely fresh perspective!
